# Story

It was a beautiful spring day. A proud<sup>1</sup> mother duck waited for her eggs to hatch. One by one, they cracked open. Her cute little ducklings came out. Finally, the last and largest egg hatched. But there was no cute yellow duckling inside. There was only an ugly<sup>2</sup> gray bird.

The mother duck tried to love him, but he was too different. What's worse, his brothers and sisters were mean to him. They said, "Go

away, ugly duckling!" So, he sadly ran away from home. An old woman found him. She said, "Poor ugly duckling! I'll take you home." The ugly duckling thought, "I finally have a family!"

# Story

The ugly duckling didn't stay with her for long. Her cat kept trying to eat him. So, he ran away again. While he was out, he saw some beautiful swans. He thought, "I want to join them, but I'm too ugly!" So he hid in the bushes. Soon, the swans flew south for the winter.

The cold winter arrived<sup>1</sup>. The ugly duckling thought he was going to die. Luckily<sup>2</sup> a farmer found him. The farmer brought him

home. The ugly duckling thought, "Now I'm safe!" But then he met the farmer's noisy children. The ugly duckling became scared. He ran away a third time.

# Story

The ugly duckling spent the winter alone. He was cold and hungry. Finally, spring arrived. The swans had returned from the south. The ugly duckling didn't want to live alone anymore. He thought, "It's better to be teased<sup>1</sup> by these swans than to be alone."

He was about to say hello to them, when they saw him. To his surprise, the swans flew around him and said, "Hello, young swan! Welcome to our family!" At first, The ugly

duckling was shocked. Then he saw his reflection in the lake. "This whole time I wasn't a duckling. I'm really a swan!" he thought. He then happily flew away with his new family.
